

MEAGHAN BUCKLEY

Architectural Designer | LEED Green Accosiate

WORK EXPERIENCE

Cogdell Mendrala Architects *Savannah, Georgia*

Architectural Associate | Sept 2022 - Present

- Contributed across all project phases, from programming and conceptual design through construction documentation, permitting, construction administration, and closeout
- Developed architectural drawings, details, presentations, design alternatives, and 3D models using Revit and other digital design tools
- Documented existing conditions and developed detailed 3D models to support renovation and addition projects
- Coordinated architectural information with consultants, contractors, and owners to resolve design and construction issues
- Participated in site visits and reviewed field conditions for conformance with contract documents
- Prepared RFQs, shortlist presentations, diagrams, and other materials for prospective projects and client outreach
- Developed graphic and environmental design elements for architectural projects, including presentation graphics, diagrams, wall graphics, and murals
- Supported construction administration through submittals, RFIs, ASIs, and closeout documentation

Simonian Rosenbaum Architects *Summit, New Jersey*

Architectural Intern | Jun - Aug 2021

- Supported design development and construction documentation through AutoCAD drafting, elevations, hand sketches, and presentations
- Assisted with client, consultant, and contractor coordination, site documentation, permitting, scheduling, and project administration
- Supported FF&E selection, material research, scope development, and organization of project documentation

Member Services Representative, Summit Area YMCA | 2019 - 2022
